

COMATCH connects independent consultants and industry experts with companies of any size and sector: The pool of more than 5000 handpicked consultants grows every day and helps start-ups, small and medium-sized businesses, consulting firms and big enterprises to approach and master challenges. COMATCH acts fast, offers excellent consulting and focuses on personal relationships with all business partners. As one of the fastest growing digital start-ups in Germany we are aiming to continue our exceptional path and want to become Europe's biggest consultant marketplace within the next years. To realize this vision, we are currently looking for your support:

Internship Business Development Nordics (m/f)

YOUR RESPONSIBILITIES

- Development and realization of strategically important projects in our Business Development and Community Management department
- Regular interactions on project progress and results with management team
- Implementation of project recommendations
- Chance to own projects in different departments
- Support in day-to-day business

YOUR PROFILE

- Completed bachelor degree, preferably close to finishing master degree
- First professional experiences in form of internships, preferably in consulting or investment banking
- Excellent language skills in Swedish and English, additional languages like Finnish, Norwegian or Danish are a plus
- Strategic thinker, who approaches challenges in a structured way and is passionate about finding solutions
- An entrepreneurial innovator, who seizes opportunities and gets stuff done

OUR OFFER

- Individual responsibility and freedom of choice from day one
- Great opportunities for personal development in an ambitious and motivated team with passion for business and fun at work
- Integration into our student network COMATCHconnect (events organised on a monthly basis)
- Amazing office in Berlin and unforgettable team events

IS THIS YOUR CHALLENGE?

We look forward to receiving your application including your CV and relevant references. Please include your availability, as your internship at COMATCH would ideally go 3 – 6 months
